PROFESSIONAL EXPERIENCE

**United States Department
of Agriculture**

*Positions held: Northeast
Regional Program
Coordinator; Pennsylvania
Rural Development Economic
Coordinator; Loan Specialist;
Rural Economic Development
Coordinator; Community
Planning Specialist; and Loan
Specialist*

Provided technical assistance and guidance to the 13-northeast state region (covering ME, VT, NH, CT, RI, MA, NY, NJ, PA, VA, MD, DE and WV); applying community and economic development principles of partnering, collaborating, leveraging, strategic planning, and community convening to assist rural America. Supported the northeast region USDA offices as they worked in the delivery of community capacity building, wealth building, and poverty reduction. Helped communities find pathways to finding local control, self-sufficiency through empowering place making projects and innovative strategies. Developed strategic management plans and administered rural loan and grant assistance for regional and statewide initiatives. Provided state leadership team analytical studies on program effectiveness. Conducted independent analysis for the review, approval and servicing actions on the multiple federal grant and loan programs. Provided leadership; analysis and advice in identifying community needs & resources; as well as assets and problem identification. Provided guidance/training to other employees on how to conduct this type of analysis and assistance. Served as Civil Rights Coordinator, conducting civil rights compliance review training for the state.
